SÜDTIROL • ALTO ADIGE

## CABERNET RISERVA BURGUM NOVUM

**Name:** Since 1989 the Burgum Novum label represents the premium wines of Castelfeder. These wines are the maximum expression of intense work and care from the vineyard to the cellar, grown in the most prestigious vineyards in South Tyrol. After a careful aging process in small oak barrels for 18 months, all Riserva wines age for another 12 months in the bottle before being released.

The grapes for this Cabernet Riserva grow on selected vineyards in the Bassa Atesina region and the wine is only produced in very good vintages. The quality is clearly in the focus, so that some vintages are also omitted.

Alto Adige DOC

Selected vineyards in the Bassa Atesina region

Guyot

Limestone and porphyry

Manual harvest, fermentation in stainless steel, maturation in barrique for 18 months, in stainless steel for 6 months, in bottle for 6 months
