## BURGUM NOVUM LAGREIN RISERVA

Since 1989, the Burgum Novum label represents the premium wines of Castelfeder. These wines are the maximum expression of intense work and care from the vineyard to the cellar, grown in the most prestigious vineyards in South Tyrol. After a careful aging process in small oak barrels for 18 months, all Riserva wines age for another 12 months in the bottle before being released.

The Lagrein Riserva grows only in the most selected vineyards and the grape variety is one of the flagships of South Tyrol. This powerful wine combines tradition with elegance. To pair with dark meat, game, cheese. Dark garnet red colour, intense notes of violet, chocolate, coffee and vanilla, velvety tannins, powerful structure, long-lasting finish.

### **Südtirol - Alto Adige Riserva DOC**

- | Selected vineyards in the Bassa Atesina region
- | Guyot on limestone and porphyry
- | Manual harvest, fermentation in stainless steel, maturation in barrique for 18 months, in stainless steel for 6 months, in bottle for 12 months
