INDIGENOUS SELECTION

LAGREIN ROSATO

This wine is typical for South Tyrol and the expression of a special production of a great autochthonous grape variety. The grapes are carefully destemmed and slowly pressed. The short contact with the berry skins brings the colour into the must and we get a bright rose wine.

The name Rosato refers to the rose-coloured wine. The label shows a rose and refers to the floral notes as well as the rose colour of the Lagrein Rosato.

Perfect as aperitif or with cold starters, pasta dishes, roasted fish. Bright rose colour, delicate notes of rose, red fruits, smooth acidity, crisp freshness, well-balanced.

Südtirol - Alto Adige DOC

| Selected vineyards in the Bassa Atesina region

| Alluvial gravel soils

| Manual harvest, gentle slow pressing, maturation on the yeast for 6 months
