PINOT NERO MAZON

Mazon is known as the Grand Cru of Italian Pinot Nero and located above Egna/Neumarkt at 300-450 metres above sea level. The vineyard is exposed to North West and the vines benefit from the long evening sun as well as of cool fall winds.

The deeper position and the special clones planted in this vineyard bring out a very complex and structured Pinot Nero.

The label shows the ruins of Kaldiff Castle near the vineyards. Legend tells that several treasures are buried there and guarded by two huge dogs with fiery eyes.

Pairings: grilled and roasted red meat, game, pasta dishes. Ruby red colour, intense notes of red berries, powerful structure, intense body, complex, long-lasting finish.
