SÜDTIROL • ALTO ADIGE

PINOT BIANCO VOM STEIN PINOT SELECTION

Beside Gewürztraminer and Sauvignon the grape variety Pinot Bianco is one of the most important varieties for South Tyrol.

Name: The name „Vom Stein“ refers to the soil structure of the vineyards of this Pinot Bianco. Their soil is dominated by dolomite limestone which give this wine its fine structure, elegance and freshness.

Label: It shows the development from the soil over the vine to the finished wine.

Alto Adige DOC

Selected vineyards in the Bassa Atesina region

Guyot

Stony and sparse dolomite rocks

Manual harvest, gentle pressing, fermentation in stainless steel, maturation on the yeast for 6 months

Aperitif, Risotto, vegetables, baked fish, white meat
