## PINOT NERO RISERVA BURGUM NOVUM

**Name:** Since 1989 the Burgum Novum label represents the premium wines of Castelfeder. These wines are the maximum expression of intense work and care from the vineyard to the cellar, grown in the most prestigious vineyards in South Tyrol. After a careful aging process in small oak barrels for 18 months, all Riserva wines age for another 12 months in the bottle before being released.

The flagship of the winery, the Pinot Nero Riserva stands out with its berry scent and its grapes grow on mineral-rich clay soil. Besides the Chardonnay Riserva it is the top wine of Castelfeder.

Alto Adige DOC

Selected vineyards in the Bassa Atesina region

Guyot

Clay soil with different contents of limestone

Manual harvest, fermentation in stainless steel, maturation in barrique for 18 months, in stainless steel for 6 months, in bottle for 6 months

Dark meat, game, cheese

Ruby red colour, notes of sour cherries and ripe berries, scents of vanilla, well-balanced acidity, elegant structure, long-lasting finish
